

# Certificate Of Compliance

*This is to certify that the:*

## **Eurotherm EPC 3000 Programmable Controller**

**Model Numbers:** EPC3016; EPC3004; EPC3008

**Software Version:** V2.xx

**Category:** Embedded Device

*Manufactured by:*

## **Eurotherm by Schneider Electric**

*Is in compliance with the requirements set forth by:*

## **Achilles Level I Certification**

This certificate is restricted to the specified version of the referenced Device (including model number, hardware/firmware/software version, and control protocols) set forth in this Certificate. Any change to the Device might impair the Device's ability to pass the standards referenced in this Certificate. This Certificate is based upon limited testing, and is not a complete or comprehensive certification of the security of the Device. The Device may contain security vulnerabilities and deficiencies that are not covered by the standards referenced in this Certificate. This Certificate is subject to revocation by Wurldtech Security Technologies Inc. More information regarding this Certificate and the Achilles Communications Certification Standard is available at [www.wurldtech.com](http://www.wurldtech.com) and upon request from Wurldtech Security Technologies Inc.
